

SLEDGEHAMMER GAMES

"At SLEDGEHAMMER GAMES, we're thrilled with the opportunity to be the newest lead studio on one of the most beloved entertainment franchises of all-time and boost it 40 years into the future with CALL OF DUTY®: ADVANCED WARFARE.

On behalf of our entire development team and partners around the globe, we wanted to thank you for pre-ordering and picking up the Day Zero Edition. In addition to early access to the game and Double XP on November 3rd, we also created and included the custom AK-12G and Crossbow-B2 for Day Zero players to use in multiplayer.

We are so grateful that we have the best fans in the world - thank you for playing CALL OF DUTY®: ADVANCED WARFARE, and we'll see you online."
