

EXCEED EVERY LIMIT

Get ready for the race of your life — where the heart-pounding, on-the-edge action demands more than just speed. PGR® 3 is a unique, next-generation racing experience where you can design your own tracks, drive any car any time, star on Gotham TV, and much more. Online or off, you need to combine breathtaking speed with dynamic style, if you want to be the next Gotham World Champion.

- Life begins at 170 mph, a speed only the world's fastest can attain. Race 80 supercars, including the Ferrari F430, Lamborghini Gallardo, McLaren F1 LM.
- Design your own race circuits and events on the living, breathing streets of New York, London, Tokyo, and Las Vegas — or the entire Nurburgring. Then challenge others to top your scores.
- Watch, or be watched, as Gotham TV's unique live broadcasts bring PGR 3 into your home. Race solo, competitively — or just watch with the crowds on Xbox Live®!
- Execute the moves that make drivers into legends. Powerslides, 360s, air-time, drafting, and driving on 2 wheels earn you points for style.
